

How to enter match results into Sporting Pulse – Junior League

Log on to: <http://reg.sportingpulse.com/>

Step 1 – Type in your username and password

Step 2 – On the left-hand menu there is a link to “Match Results”. Click on it.

Step 3 - A new window should open up. Enter the dates for the matches you are looking for.

Step 4 – Click on the “Enter Quick Results” button

Step 5 – All the matches for the date range and teams you are able to see will show. Find the match you are looking for. Enter the number of goals scored for each team. Make sure that you choose the “Result” for each team (as it does not automatically change).

Step 6 – Once you have completed adding all the results, scroll down the page and click “Save”. Once saved, you can log out.

Important Information

- Results only need to be entered for the U12’s-U18’s competitions.
- There is no need to enter player selection and goal scorers for the Junior League Competition.
- Matches will be locked from 12pm every Tuesday.
- The home team is the team responsible to entering the results on Sporting Pulse
