Dear Player,

Boomerangs F.S. has been admitted to play in the Football NSW Super League Competition for the 2009/10 season. Canberra's inaugural all-age Futsal club Boomerangs F.S. is calling for expressions of interest from players wishing to participate in the NSW Super League Club competition. This fantastic Boomerangs F.S. initiative will be offered to 10 players for each age category below.

12 Boys	12 Girls	(born 1997 or before)
14 Boys	14 Girls	(born 1996/95)
16 Boys	16 Girls	(born 1994/93)
Youth Men		(born 1990/91/92)
Open Men	Open Womens	(all age)

The Competition will run over 16-17 weeks starting in September and concluding in early February 2010. Players will compete in 14 matches against NSW based clubs, 7 of these will be based at home in Canberra and 7 away matches in Sydney. Most matches will be played on Saturdays with the possibility of matches on Sundays.

Please note this does not replace the local South & North Canberra Futsal, or Capital Football run competitions. **Boomerangs FS players will have to be registered and playing locally in Canberra before being considered for a position.**

This is a wonderful opportunity to develop and improve skills in highly competitive matches against seasoned Futsal clubs.

Please respond to this letter by email at the following address boomerangfs@hotmail.com. Expressions of interests close 12th June 2009.

We sincerely hope you take on this challenge and strongly consider this wonderful opportunity to test yourself against the best Futsal players that NSW has to offer.

Yours sincerely,

Kristian Collins
